Chickasha Public Library's Summer Reading Program!

The Library's Summer Reading Program for 2015 was a great success. Almost 150 area kids registered for the program and the total overall attendance was over 700. The weekly programs included book discussions, crafts, games, special guests, and other activities. All registered participants received a special certificate. During the award ceremonies names were drawn for additional prizes which included books, free treats and meals at local restaurants, movie passes, and skating passes. One reader from each group also won a brand new Samsung Galaxy 4 Tablet with seven inch screen, case, screen protector and stylus, purchased courtesy of the Friends of the Chickasha Public Library.

The Chickasha Public Library would like to thank the Friends of the Chickasha Public Library, and the following local businesses for providing the random drawing prizes: OK Skateland, Heritage Park Theater, White Water Bay, Walmart, McDonald's, Braum's and Dairy Queen.
